Raleigh, NC- Sona MedSpa, the nation's largest full service aesthetic company, is pleased to announce the opening of their newest location in North Raleigh which will be located at 9104 Falls of the Neuse Rd., Suite 310. This will be the 21<sup>st</sup> Sona MedSpa location as Sona continues its steady expansion. This new facility is set to open on October 1, 2012.

The North Raleigh location and the newly renovated Cary locations are the most modern locations among the 21 centers. In addition to the most advanced laser technology and state of the art medical aesthetic capabilities available, Sona Clients can expect elegant and sophisticated features such as hardwood floors, picturesque glass windows, and spacious, newly furnished treatment rooms to create the comfortable Client experience that Sona is known for.

Byron Ashbridge, President and CEO of Sona MedSpa states: "We are very excited to be opening our 21<sup>st</sup> Sona location and happy to be expanding within the very important Raleigh market. We are confident that our Clients will appreciate the convenience of our newest location, and we are looking forward to providing the exceptional service and experience our Clients are accustomed to receiving."

Sona MedSpa is the largest and most successful Med Spa organization in the country, offering the most advanced FDA approved technology available. Our licensed treatment professionals receive extensive training and work under our local Medical Director, which enables them to provide our Clients with exceptional service and the highest degree of efficacy and safety.

Established in 1997, Sona's corporate headquarters is located in Charlotte, NC. There are currently 21 Sona MedSpa locations nationwide.
